*Learning today
Leading tomorrow...*

Smart Classes | Skill Development | Large Playground

Director's Message

AJAY KUMAR
Director

“When educating the
Minds of Our Youth
we must not forget to
Educate Their Hearts”

-Dalai Lama

Education is a passage to freedom from the shackles of ignorance. In today's dynamic world, education is an asset. Here, at Kenfount, we strive to provide experiential learning. However, holistic education does not end at learning.

We make sure that our students are rooted in the values of Indian culture and, yet maintain a global outlook. It is our promise to make them-not only successful human beings-but also good human beings. Kenfount is an initiative towards creating tomorrow's world leaders; leaders who are willing to change this world for better.

Till now we have had a remarkable journey. Kenfount has won awards in all the fields from academics to sports to environment.

Principal's Message

Priya PN
Principal

As the instructional leader of KenFount Academy, we focus on discovering, developing and drawing out the hidden talents and the magic lying dormant inside all of its students. From academics to co-curricular activities, perseverance and a never-say-die spirit are entrenched in the heart of every student not only making them good students but brilliant human beings. In today's dynamic world, a 360 degree development and grooming is of supreme importance, we are creating an environment for future leaders, entrepreneurs and professional who possess skills and aptitudes in an array of functional disciplines.

I am positive that in times to come we will continue this journey with elevated enthusiasm and persistently provide a platform of holistic learning to the young generation of learners.

OUR SCHOOL PRAYER

I bear witness, O my God,
that Thou hast created me
to know Thee and to worship Thee.
I testify at this moment
to my powerlessness and to Thy might,
to my poverty and to Thy wealth.
There is none other God but
Thee,
the Help in Peril, the Self-
Subsisting.

OUR SCHOOL PLEDGE

I pledge before God, whom I love and worship:

1. To be a worthy student of my school and abide by its rules.
2. To love and respect my parents and teachers and follow their guidance.
3. To consider all the people of the world as my brothers and sisters for we are all creations of one God.
4. To work for the cause of world peace and happiness of the people.
5. To develop my mind in the sciences and the arts, and to let my religion guide me in all my actions.
6. To devote my talents to the service of humanity, for by this service shall I truly serve my Lord.
7. To show sincerity, trustworthiness and perseverance in all that I undertake to do.
8. To strive always for excellence and greater heights of achievement in my studies and try to grasp 100% knowledge of all my prescribed subjects.
9. To uphold the motto of 'Jai Jagat' at all times, for truly I am a citizen of the world.

KenFount Vision

KenFount vision is to create world peace through education and to nurture thoughtful and proactive world citizens and leaders committed to the service of humanity.

4 Building Blocks of Education

- Universal Values
- Global Understanding
- Service to the world
- Excellence in All Things

Universal Values are spiritual qualities, virtues and values common to all peoples, traditions, religions and cultures.

Global Understanding is accepting the oneness of humanity, harbouring love for other human beings and respect for all living things, and going beyond the narrow confines of caste, colour, religion and country, to appreciating and celebrating diversity in all its forms.

Service to the World goes beyond charity to recognising service as a way of life, so that when children grow up, they become conscious thinkers and doers, leaders of thought and action, and proactive agents of social transformation.

Excellence in All Things is striving for perfection and beauty and learning to do one's best always. It means competing with oneself. It also means expecting and visualizing the best in every child.

KenFount Mission

KenFount mission is to inspire every child to become both good and smart, a gift of God to mankind, a pride of the human race, and a potential light of the world.

ABOUT US

The KenFount Academy is a school who believe that the finest education of a child comes from the understanding of the real world that he or she lives in.

It is with this vision that we have created KenFount Academy. We are successful in providing holistic education that encourages students to excel in a variety of disciplines, such as academics, sports, music and dramatics.

We will nurture young minds to become multi-talented & knowledgeable.

Physical training, games and sports are compulsory activities. Students will be trained in **Yoga, Karate and Gymnastics, besides being coached in Table Tennis, Basketball, Lawn Tennis, Volley ball and Badminton** in preparation for Inter-School Competitions.

Other fields in which girls can hone their skills are Social Service, Creative, Journalism, Computers, Environmental Preservation and House Keeping.

Strong Academics with Smart learning Classes

Affiliation & Syllabus

KenFount's Syllabus pattern will be run according to the Central Board of Secondary Education (CBSE).

Currently we have Primary classes from Nursery to V class. The academic year extends from April to March of the following year and is divided into two terms.

Faculty

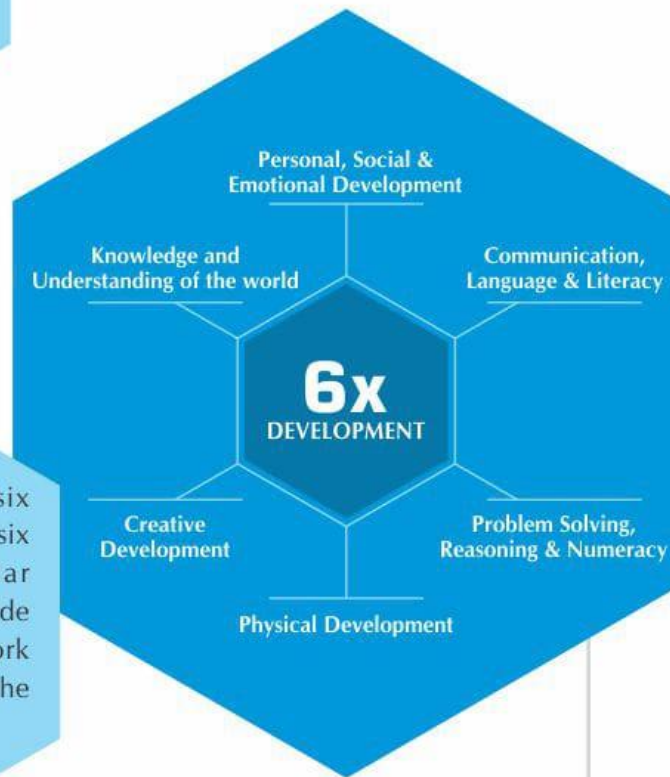

As every growing seed needs proper Observation & Care a developing student needs the same. The teacher student ratio is 1:25 to give each student proper attention. (There will be 25 student in each section).

Campus

KenFount's covered area is more than 2 Acre and full campus area is more than 3 acres. A Large playground is in school campus to make children's healthy & physically fit.

WHY US

KENFOUNT focuses on six aspects of learning which is six times better than regular education system, that provide a comprehensive framework for a child's development at the primary level.

Our mission is to provide a joyful learning environment that empowers primary aged children and develops their self-confidence and competency in the core subjects. We seeks to create a stimulating learning environment that both supports and challenges the individual child. As they grow, children develop the qualities of hard work, good manners and self-discipline. Most importantly, they come out as self assured and confident.

Focuses on Values

KENFOUNT makes strenuous effort to make every child a light of the world by inculcating the values of hard work, good manners, self-discipline, focusing on spiritual, moral, intellectual, social, emotional and physical development. Academic excellence is only one of the goals. We teach commitment to service.

A Broader And Bolder Education

Education in the 21st century must be both broader and bolder. A modern school needs to do much more than ensuring good marks on a sheet. Helping children get good marks is the minimum responsibility of a school. Indeed, a 'good' education must produce much more; a 'good' human being capable of all that has been written above and much more.

Strong Academics

KenFount believes that the content of education of a young child greatly determines a child's mind set and personality and ultimately his future success. The KenFount school environment is engaging and responsive to a child at each stage of development.

Computer Literacy & Smart Classes

The advent of educational technology offers new ways of transacting classroom learning. We use Interactive White Boards (IWBs) to give children smart knowledge through 'Smart Classes'. This injection of technology has enabled teachers to engage children in new ways, and it has particularly benefited the learning of the relatively more passive students.

A Step Forward IN FUTURE

To enhance our School Wide Positive Behaviors Support (PBS) approach, we will be implementing the system in coming years. The system will allow us to manage student information, communication and skills more effectively and efficiently. We are very excited about the introduction of our Interactive E-Learning program that is the first thing in our future plan list. In implementing E-Learning program we are going to make our campus fully wifi enabled, so that student can reach to the knowledge from any corner of campus. In order to develop little kenfount's scientists we have future plan for Robotics & Technology development class session. We will introduce special classes and sessions for all form of arts to develop our students skills. Fine arts and Performing arts will be our initial classes of the session.

- Skill Development
- Robotics
- Astronomy
- Drama & Acting
- Interactive E Learning
- Industry Expert's Session

& M u c h m o r e . . .

OUR MOTTO

Our motto is

Everyone Can be An Achiever

We believe every child have unique ability & will power to do anything just we need to give them proper knowledge and learning environment to find their goal. We prepare them to defeat competitive world with their knowledge and skills. With sharpening their mind with academics we improve their understanding of cultural and social values.
